CPP Young Families Group (for children below 7 years old)

The needs to balance family time and work plus external pressures all make it more challenging for young families to have an active life in the parish. At CPP, driven by our vision, we are looking at ways of bringing young families together to collectively support each other and more importantly, give them a platform to contribute to the growth of the parish.

To that effect, the CPP Young family's group has been created and will be holding its first event on Saturday 6th November in the Parish Hall, 10:30am to 12:30pm. This will be an 'All Saints Day' get together for parents and their children. The children can come with a drawing of their favorite saint to be displayed in the hall - or better still dressed up as their favourite saint! Drinks and snacks will be provided. For more information about the event or how to get involved with the group, please email cppyoungfamilies@gmail.com

If you care about climate change and the environment, you will welcome this chance to learn more about water - and how the use and abuse of it affects the world - in a webinar with Professor Christiana Zenner, author of [Just Water: Theology, Ethics and Global Fresh Water](#) (2018).

Christiana is Associate Professor of Theology, Science and Ethics in the Department of Theology at Fordham University. Her research into emerging and established fresh water ethics intersects with ecological theory, religious ecologies, developments in the earth sciences, and the ecological turn in Catholic social teaching. This event is being offered in the run up to COP26, the UN Conference on Climate Change hosted by the UK in November. Please **click here** to register your place. To find out more visit the **NBCW website** or **contact Diocesan Link, Sue Petritz**.

St. Teresa of Avila (1515-1582) 15th October

As a woman, Teresa stood on her own two feet, even in the man's world of her time. She was "her own woman," entering the Carmelites despite strong opposition from her father. She is a person wrapped not so much in silence as in mystery. Beautiful, talented, outgoing, adaptable, affectionate, courageous, enthusiastic, she was totally human. She founded over a half-dozen new monasteries. She travelled, wrote, fought—always to renew, to reform. In her self, in her prayer, in her life, in her efforts to reform, in all the people she touched, she was a woman for others, a woman who inspired and gave life. Her writings, especially *The Way of Perfection* and *The Interior Castle*, have helped generations of believers.

CPP Encounter for Parents Course Over the last few years, we have seen the need to help parents be more prepared for teaching and sharing the faith with their children. The request has come from Pope Francis, the diocese, and some parents. We have designed a very informative three session course for parents to take place in October and November. The first session will be this **Friday 15th from 7:30 pm – 8:45 pm** October in the church. (Registration from 7pm) The course is open to all parents of young children, but it will be a **requirement** for parents who hope to enrol their child on the next First Holy Communion Programme. At the end of the course (assuming attendance at all three sessions) parents will be awarded the CPP Encounter Certificate which will allow them to enrol their children on the First Holy Communion Programme. Unless at least one parent has the certificate, the parents will have to wait until completing the next “Encounter” course in autumn 2022 before that they can enrol the child for First Holy. This course will **not** be live streamed. For more information cppencounter@gmail.com

Come, Follow Me

Perhaps we know the story of the rich, young man well, but listen to it with new ears this weekend.

The young man, living well by the commandments, encounters Christ and is challenged to "Go, sell what you have, and give to the poor... then come, follow me."

"Indeed," St. Paul tells us, "the word of God is living and effective, sharper than any two-edged sword" (Heb. 4:12-13). The words of Jesus cut to the heart of this young man, who wants to follow a series of rules and check the boxes instead of participating in a life-giving relationship with Christ.

We don't know if the young man stayed away from Christ for good or if he eventually returned. Jesus allows him to walk away, respecting his freedom. That same open door is available to us. How will we respond?

Get a glimpse of how Catholics view the life lived in Christ and how we live this out in society here in this short clip with **Matt Nelson** from our newest series, Catholicism 101:

Your parish has gifted you access to all of Word on Fire's videos!
