Sunday, February 16, 2025 / Sixth Sunday in Ordinary Time / Luke 6:17, 20–26

Friends, our Gospel for today is Luke's version of the Beatitudes, less well known than Matthew's but actually punchier, more to the point. It all hinges on detachment, that decisively important spiritual attitude. Apatheia in the Greek fathers, indifferencia in Ignatius of Loyola. It means that I am unattached to worldly values that become a substitute for the ultimate good of God.

How bluntly Luke's Jesus puts things. Look at Luke's first beatitude, a model for all: "Blessed are you who are poor, for the kingdom of God is yours." What if we translated this as, "How lucky you are if you are not addicted to material things." When we place material things in the center of our concerns, we find ourselves caught in an addictive pattern.

Because material goods don't satisfy the hunger in my soul, I convince myself that I need more of them. So I strive and work to get more nice things—cars, homes, TVs, clothes—and then I find that those don't satisfy me. So I strive and strive, and the rhythm continues.

Therefore how lucky I would be if I were poor, unattached to material goods, finally indifferent to them.

Planning Permission

Parishioners may be aware that Elmbridge Council has opened a consultation into the future use of the Weybridge Health Centre. Full details can be found [here](#). The scheme includes opening a direct route (footpath and cycle route) from the High Street through to Portmore Way. Were this to be adopted, a likely consequence is a severe increase in footfall to Portmore Way, increased traffic and more pressure on parking for the parish and the school.

Parishioners are encouraged to review the consultation (link above) and consider objecting to or commenting upon the current consultation which closes on 25 February. Comments can be added [here](#). You may consider copying and pasting the following text, or a variation thereof:

“Portmore Way is a cul-de-sac serving the Weybridge Catholic Parish and Primary School as well as Piccolo Family Club. It already suffers from extreme congestion and excessive parking. The proposed opening of a pedestrian and cycle route from the High Street through to Portmore Way would only exacerbate this, increasing the health and safety risk to pupils accessing the school field on the opposite side of Portmore Way as well as elderly parishioners accessing the church.

“The existing pedestrian route to the High Street via Minorca Road provides sufficient access without creating additional risks to the young and elderly in the community’s care.”
