Lent

A Time for Renewing Faith, Hope and Love

In these times of trouble, when everything seems fragile and uncertain, it may appear challenging to speak of hope. Yet Lent is precisely the season of hope, when we turn back to God who patiently continues to care for his creation which we have often mistreated. To experience Lent in hope entails growing in the realization that, in Jesus Christ, we are witnesses of new times, in which God is "making all things new" (cf. Rev 21:1-6). It means receiving the hope of Christ, who gave his life on the cross and was raised by God on the third day, and always being "prepared to make a defence to anyone who calls us to account for the hope that is in us" (1 Pet 3:15).

"In order to give hope to others, it is sometimes enough simply to be kind."

10 Miles for 100 Smiles Marie Curie Appeal 🌸

The daffodil is synonymous with the Marie Curie Great Daffodil Appeal, a symbol of light and hope for those requiring Marie Curie nursing in their final weeks of life. This year the Wey Valley Marie Curie Committee have decided to bring the Great Daffodil Appeal to you. Would you like to be able to put a smile on 100 people's faces by either sponsoring or taking part in a 10-mile walk? By the 23rd March, we are asking you to metaphorically wear your daffodil with pride by either taking part in a 10-mile walk, whether alone, with your bubble or socially distanced with one other person from outside your bubble, or to sponsor someone who is undertaking the 10 miles on foot. You can complete in stages or all in one go. All money raised will go directly to Marie Curie. You can make a donation to this Just Giving page or create your own sponsorship page from our team page by clicking on this [link](#). A huge thank you from the Wey Valley Marie Curie Committee.
