Wake Up!

While the world likes to rush to Christmas, we Catholics are invited to take an entire season, called Advent, to *slow down* and prepare ourselves for the great mystery before us.

The message of Advent for us is simple: "Wake up!" Advent is a time to be reawakened to the great mystery of the Incarnation: God became man, in time and space and in documented history over 2,000 years ago. If this is indeed true, then Jesus Christ has changed *everything*.

The people of Israel often grew tired in their exile and in their seemingly endless wait on the Lord. But in his time, not ours, God showed up. And he still does today. For our sake, God indeed became man.

What is our response? How will this season be different? What can I do differently? How can I put Christ at the center of my life again, or perhaps for the very first time?

Let's wake up this Advent season!

Feast of Saint Andrew the Apostle. November 30th

As one of the twelve apostles (and brother of St. Peter), Andrew worked closely with Jesus from the beginning of his public life. He was present at the Last Supper, met the risen Lord, witnessed the Ascension and shared in the graces and gifts of the first Pentecost. The good deeds and preaching of St. Andrew became known in many parts of the world. He is patron saint of Scotland and many other places.
