Sunday, Sept 29, 2024 / Twenty-sixth Sunday in Ordinary Time / Mark 9:38–43,45,47–48

Friends, in our Gospel today, Jesus speaks, with incredible bluntness, about cutting off one's hand and foot and plucking out one's own eye. If these things are a block to your salvation, get rid of them, for it is better to enter life maimed than to enter Gehenna with all of your limbs and members.

The hand is the organ by which we reach out and grasp things. The soul is meant for union with God, but we have instead reached out to creatures, all of our energies grasping at finite things.

The Lord also speaks of the foot. The foot is the organ by which we set ourselves on a definite path. We are meant to walk on the path that is Christ. Do we? Or have we set out down a hundred errant paths, leading to glory, honor, power, or pleasure?

We are designed to seek after and look for God. Have we spent much of our lives looking in all the wrong places, beguiled by the beauties and enticements of this world? And are we willing to pluck out our eye spiritually, to abandon many of the preoccupations that have given us pleasure?

Bishop Barron

"Put on the armour of God" St. Paul, Ephesians 6:13

October is the Month of the Rosary a time when we are called to especially focus on this beautiful devotion.

The Rosary "slows us down" and helps us to contemplate the mysteries of Christ's life alongside his Blessed Mother.

"The greatest of mystics and scholars have lost themselves in the depths of the mysteries presented by these scenes of the incarnation, death, and resurrection of the Redeemer," wrote Sister Mary Jean Dorcy.

If it's been 5 minutes or 5 years since you last prayed the Rosary, let this month be a time of returning to this beautiful devotion.

In all our distractions, our exhaustion, and our trials, Mary will be with us, "now and at the hour of our death."

Turning Concern into Action

St Vincent de Paul Society

Annual Finance Appeal

The parish *St Vincent de Paul* group continues to provide friendship and charity to those in need, both in Weybridge and locally.

In addition to providing companionship to the lonely and housebound, there has been a growing need to offer food and other financial support.

Additionally, our work includes visiting patients in hospital and comforting the bereaved.

We have also made contributions to other twinned SVP Conferences struggling to assist poor people and we have helped towards the running costs of a soup kitchen.

This annual appeal will enable us to continue with our endeavours to help the poor, lonely and deprived in our society.

See below for account details to make your donation.

We would also take this opportunity to encourage more parishioners to come and join-in the work of the SVP.

Meetings are held for no more than one hour once a month.

If you are able and interested please email us **here**.

Also, if you happen to be aware of any individual who is lonely or in need and might be grateful for some friendly contact, then please send an email to the SVP or let Mary Lee in the Parish Office know.

Your on-going prayers for our charitable work would be gratefully appreciated.

St. Thérèse of Lisieux

Tuesday 1st October

Though she lived a quiet, hidden life in her province of France and never left the convent which she entered at age 15, St. Thérèse has become one of the most well-known saints in the Catholic Church. Dying at the age of 24, her autobiography *Story of a Soul* became a bestseller and her miraculous intercessions have been documented around the world.

Popularly known as "the Little Flower," St. Thérèse of Lisieux, or Thérèse of the Child Jesus, taught us that small acts done with great love are what's needed to enter the Kingdom of Heaven. Seeing the world as a child (being *childlike*, not childish) is exalted by Christ himself, for then we live dependent on God the Father as the centre of our lives and can be joyfully detached in this life as we prepare for the next.
