Cycle B (Sundays) and Year 11 (Weekdays)

SIXTH SUNDAY IN ORDINARY TIME

Psalter Week 2

In the 1870's, the idyllic sunny island of Molokai might not have been one of your top holiday destinations. Molokai was a settlement where the government kept segregated all persons afflicted by leprosy. It was here that a young priest named Joseph Damien de Veuster (Fr. Damien), at his own request arrived at the settlement to preside as its resident priest. There were then six hundred lepers, many rendered helpless by the disease. For a long time Fr. Damien was the only person to bring them the help they needed, both spiritual and practical. After twelve years of this heroic service he eventually contracted the disease

himself. At the age of forty five he stood before his brethren and addressed them, "My dear brethren .... my fellow lepers. ... I am one of you now."

In today's gospel Jesus is called upon to cure a leper. Jesus could have done this with a few words, but he does more than this ... he reaches out and heals the leper not only with words, but the touch of his hand. This might seem a small detail, but the simple gesture speaks volumes. The gesture tells us that Jesus was setting aside the stigma that accompanied this terrible disease. Jesus is able to take on the leper's condition and know his needs. We call it empathy, an empathy

essential for true compassion. This is the example that we see Fr Damien live to the letter.

To learn from Jesus' example, we do not have to rush off and find a leper colony as Fr Damien did. There are plenty of social lepers everywhere we look. There are all sorts of social misfits that we stigmatise and push to the edges of our society. If we are to learn by Jesus' example we have to employ all our powers of empathy before we can even begin to make changes.

That Jesus uses his powers to cure leprosy is amazing, but more important is how we can learn from this miracle in changing the lives around us.

### *From Pope Francis' Message for the World Day of the Sick*

"To Mary, Mother of tender love, we wish to entrust all those who are ill in body and soul, that she may sustain them in hope. We ask her also to help us to be welcoming to our sick brothers and sisters. The Church knows that she requires a special grace to live up to her evangelical task of serving the sick. May our prayers to the Mother of God see us united in an incessant plea that every member of the Church may live with love the vocation to serve life and health. May the Virgin Mary intercede for this Twenty-sixth World Day of the Sick; may she help the sick to experience their suffering in communion with the Lord Jesus; and may she support all those who care for them."

**Did you know..... where St Valentine's Day comes from...?**

St Valentine was a Roman Priest at a time when the Emperor Claudius persecuted the church. He also issued an edict that prohibited the marriage of young people. Unmarried soldiers fought better than married soldiers because it was feared that married soldiers might be afraid of what might happen to them or their wives or families if they died.

The idea of encouraging them to marry within the Christian church was important to Valentine and he performed the marriage ceremony in secret.

Valentine was eventually caught, imprisoned and tortured for performing marriage ceremonies against the command of Emperor Claudius the second.

One of the men who was to judge him in line with the Roman law at the time was a man called Asterius, whose daughter was blind. He was supposed to have prayed with and healed the young girl with such astonishing effect that Asterius himself became Christian.

In the year 269 AD, Valentine was sentenced to a three part execution of a beating, stoning, and finally decapitation all because of his stand for Christian marriage. The story goes that the last words he wrote were in a note to Asterius' daughter. He inspired today's romantic missives by signing it, "from your Valentine."

### THANK YOU

### THE PASSAGE to ending homelessness

Each year the President of the Weybridge Catenian Circle picks his own charity, and this year's President, Michael Mulcahy, has chosen the Sycamore Tree charity which is run by the Prison Fellowship. It runs courses for first time offenders in the 15/18 age group and has proved very successful in reducing the number of re-offenders. The project used to be government funded, but that financial support has now been withdrawn. We have so far raised £650 and hope to exceed £1,000 by the end of April 2018.

**FHL BOXES** - If you haven't already brought your box back, could you please take it to the parish office as soon as possible. Many thanks.

### SVP

In recent weeks the parish St Vincent de Paul group have made a number of furniture deliveries to families in need. Hence, we would be thankful to receive more furniture donations from parishioners, specifically, chests of drawers, table and chairs, sofas, coffee tables. Items should in reasonable condition. Also, given that many of our clients are placed in small accommodation units, the size of furniture can be a limiting factor. The SVP extend their thanks for all past donations. ### Church Action on Poverty

**“Jesus initiated the act of making visible those who were overlooked.”**

Our churches are called to follow Jesus' example: to listen to voices from the margins and make them heard, so that things can change. Use today's initiative and today's gospel to join a campaign on those who have been marginalised.

**Here are some starting points:-**
